SEALED BID SALE

BID OPENING AND LEASE AWARDS - October 12, 2022

University Lands ("UL") makes no representations or warranties of any kind or character as to the surface or mineral acreage described hereunder, including any leases described. By participating in the bidding process, any potential bidder (each a "Bidder") acknowledges and understands that, if awarded a lease, it shall take subject to including but not limited to all existing appurtenances, improvements, leases, easements, rights of way, and other possible impairments thereon, whether recorded or unrecorded, at the time of bidding. Bidder must conduct due diligence to its own satisfaction and shall not rely on any information provided herein. By participating in the bidding process, Bidder assents to the terms and conditions of the lease sale, Board for Lease Rules, and any and all laws, rules, and procedures and warrants that 1) Bidder has had a sufficient opportunity to inspect and is familiar with the potential prospects; 2) Bidder has conducted a sufficient investigation on the Leases at auction to its satisfaction; 3) it is a sophisticated entity capable of evaluating potential prospects; and 4) it did not materially rely on information provided by UL (including but not limited to the disclosures herein) in the decision making process; 5) and Bidder is fully satisfied with the condition of the assets and has elected to proceed in bidding on said assets. The notations and concurrent uses listed herein are informational only and UL does not warrant the completeness or correctness of such statements. Bidder is and will be relying strictly and solely upon such inspections and examinations and the advice and counsel of its own consultants, agents, legal counsel, and officers. Bidder is and will be fully satisfied that the Purchase Price is fair and adequate consideration for the Property and, by reason of all the foregoing, Purchaser assumes the full risk of any loss or damage occasioned by any fact, circumstance, condition, or defect pertaining to the properties. BIDDER SHALL NOT HAVE ANY RECOURSE AGAINST UL, THE UNIVERSITY OF TEXAS SYSTEM, THEIR EMPLOYEES, DIRECTORS, OFFICERS, AFFILIATES, BOARD OF REGENTS, AND CONTRACTORS IN THE EVENT OF ANY ERRORS THEREIN OR OMISSIONS THEREFROM. IF AWARDED, BIDDER IS ACQUIRING THE LEASE BASED SOLELY ON ITS OWN INDEPENDENT INVESTIGATION AND INSPECTION OF THE PROPERTY AND NOT IN RELIANCE ON ANY INFORMATION PROVIDED BY UL.

Tracts which contain multiple sub-tracts ("Blocked Tracts"), will be bid on as one tract. Sub-tracts cannot be broken up or bid on individually. The winning bidder for the Blocked Tract will receive a separate lease (and unique lease number) for each sub-tract. To further clarify, the Blocked Tract in no way unitizes the leases and the winning bidder must meet the obligations and requirements of each lease individually.
